Dear Praying Friends

**You are loved and created by Jesus.**

**Jesus loves you lots!**

This is the message that 150 children in Morave have written on their lime-green t-shirts! Our last Prayer Letter requested the need to pray for revival ... and the children are now declaring this message by what they're wearing.

After the 'Refresh and Renewal' conference in February, the Koreans organizing it asked all delegates if they needed help in their churches. So from the 3<sup>th</sup>-6<sup>th</sup> July a team of 21 came and **abundantly** worked with the children on the sports field from 5pm-8pm.

Each morning children that come regularly to the meeting were invited to our garage and taught to play the tune on the recorder to, 'God is so good' and then did some craft activity.

After such a huge climax and input it's always a challenge of how to continue the momentum.

*'The LORD will guide you always;*

*He will satisfy your needs in a sun-scorched land*

*And will strengthen your frame.'* Is 58:11

So our follow-up at present is teaching the recorder to whoever wants to come Monday's Wednesday's Friday's from 5pm-5:30pm. Our ways are not the Lords - but we're trusting that He'll use it.

Thank you for those of you that prayed for the weather – it was excellent! The language

barrier wasn't a problem.

Our lasting impression from the three-day event on the Sport's Field is that the harvest is ripe but the workers are few. Teens, mums, dads all came out and watched and listened. Please pray that we'd be guided as to how to work more effectively in the village. The

Koreans have kindly left all sorts of materials that we can use with the children and parable of the talents (Matt 25) challenges us.

**Other news:**

- 'Know Your Bible' (KYB) ladies group continues although sometimes we're only 2 or 3. We meet at Buqe's house and she's growing spiritually.
- Church on Sunday here at our house is small and friendly! Just like a 'home-group' really!
- Edi (Gjergji's nephew) that came to live with us in November, is now living with his dad, after his father's release from prison.

With our love.
